WE ARE **DOUBLE DOSE #1
IN THE CATEGORIES: UV CURE AND UV RESINS.**

We would like to thank the support of all customers, employees and partners, as we win this award again in two categories, it is a form of recognition of our dedication, work and commitment to offer the best of UV technology.

We are very happy with the results, with our prominence as a global leader in the UV segment and we reinforce that this was only possible thanks to the people who believed in our work.

#WeAreIGM • Individually Unique, Together Complete.
